P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

INTRODUCTORY COMMENTS

This amendment is in response to the office action dated March 12, 2007. Because a translation of one reference was inadvertently omitted by the Patent and Trademark Office, the period for response to this office action was reset in a paper mailed May 15, 2007 setting an extendable two month period for response. Thus, the unextended due date for response was reset to expire on July 15, 2007. A two-month extension of time, from the due date of July 15, 2007 is concurrently requested with this response. In response to this Office Action, please amend the above-identified U.S. patent application as follows:
